

Peacehaven Town Council

Health & Safety Policy For Volunteers

Health and Safety Statement

Our Organisation is committed to the Health and Safety of our volunteers.

We carry out risk assessments, which we act upon to lower any risk. This includes a risk assessment of:

- The areas in which we operate
- The organisation's activities
- The roles carried out by volunteers

We will provide volunteers with any information, training or equipment they need to remain safe whilst carrying out their volunteering tasks.

Volunteers are expected to remember their duty of care towards the people around them, and not act in a way that might endanger those around them.

Our Health and Safety Policy also includes:

- Risk assessments
- Dealing with difficult situations and people protocols

The policy is based on the Health and Safety at Work Act 1974 and is in three parts:

The Statement, Responsibilities and Arrangements

1.0 Our statement of general policy is:

- 1.1 To provide adequate control of the health and safety risks arising from our work activities.
- 1.2 To consult our volunteers, members and partners on matters affecting their health and safety.
- 1.3 To provide and maintain safe work environments, plant and equipment.
- 1.4 To ensure safe handling and use of substances, i.e. weed killer.
- 1.5 To provide information, instruction and supervision for volunteers, members and partners.
- 1.6 To ensure all volunteers, members and partners are competent to do their tasks, and to give them adequate training.
- 1.7 To prevent accidents and cases of work related ill health.
- 1.8 To maintain safe and healthy working conditions, in particular to prevent, where practicable, the use of substances which are environmentally toxic.

2.0 Responsibilities

Overall and final responsibility for health and safety is that of the membership, led by the Health and Safety Officer:

Day-to-day responsibility for ensuring this policy is put into practice is delegated to the Peacehaven Volunteer Officers.

To ensure health and safety standards are maintained & improved, the following people have responsibility in the following areas:

.....for core areas of work.

Members, volunteers, partners and contractors for projects.

All Town Volunteer Officers and volunteers have to:

- co-operate with colleagues and mentors on health and safety matters
- Not interfere with anything provided to safeguard their health and safety
- take reasonable care of their own and others health and safety
- report all health and safety concerns to an appropriate person (as detailed in this policy)

3.0 Arrangements

3.1 Health and safety risks arising from our work activities

Risk assessments will be undertaken by the task leader for core areas of work, members, partners and contractors for projects.

The findings of the risk assessment will be reported to the Town Volunteer Officers.

Action required removing or controlling risks will be approved by Volunteer Officers.

The person responsible for ensuring the action required is implemented is the task leader.

The people responsible for checking that the implemented actions have removed or reduced the risks are the members, partners and contractors.

Assessments will be reviewed every year or when the work activity changes, whichever is soonest.

3.2 Consultation with members and volunteers

A volunteer will be designated Health and Safety Liaison.

Consultation with members and volunteers is provided at meetings.

3.3 Safe plant and equipment*

All members, volunteers and partners are responsible for identifying all equipment/plant needing maintenance.

The person responsible for ensuring effective maintenance procedures are drawn up is

The person responsible for ensuring that all identified maintenance is implemented is

Any problems found with plant or equipment should be reported to

The person responsible for checking that new plant and equipment meets health and safety standards before it is purchased is or any Town Volunteer Officer. For core plant and equipment, the member, partner and contractors for project plant and equipment.

*including vehicles, ladders, tools, lifting equipment etc.

3.4 Information, instruction and supervision

The Health and Safety Law poster is available upon request.

Health and safety advice is available from

Supervision of members and volunteers will be arranged/undertaken/monitored by the task leader.

The people responsible for ensuring that members and volunteers are given relevant health and safety information when working at given locations under the control of other employers is the task leader. For core activities, partners and contractors for project activities.

3.5 Competency for tasks and training

The people responsible for providing health and safety induction training are the Town Volunteer Officers.

Appropriate partners will provide Job specific training.

Training records are kept by the Town volunteers.

3.7 Accidents, first aid and work-related ill health on-site

..... will ensure that at any activities carried out there is a first-aid kit available, as well as the appropriate number of first aiders.

All accidents and cases of work-related ill health are to be recorded in the accident book. This book is kept by

The person responsible for reporting accidents, diseases and dangerous occurrences to the enforcing authority is

3.8 Monitoring

To check our working conditions, and ensure our safe working practices are being followed we will include Health and Safety on the standard agenda of project meetings and membership meetings.

The person responsible for investigating accidents is

The person responsible for acting on investigation findings to prevent a recurrence is
