	flower beds out of bounds		small thicket		canopy
	bee hives out of bounds		hedge uncrossable		activity site
			hedge		tunnel
			wind break		bridge
			willow tunnel		seat / table
					litter bin

## Permanent Orienteering Course

Scale 1:4000

Instructions - These Permanent Orienteering Courses are designed for absolute beginners and there is increasing difficulty with medium and hard courses. The aim is to go from the Start  $\Delta$  just outside the Cafe and find the markers attached to wooden posts and park furniture in the order listed for your course. Study the map carefully to understand the legend, it shows features you will use as landmarks to check your progress and position on the map. On the map circles  $\circ$  show the position of the marker posts. Each post has reference letters and numbers on it. Once you have found the post you write these down. This will prove you have visited the right post. Once you have completed the course you can check your answers by asking for the answer sheet in the Cafe.
